Subject: Feb 2 Track Results

Dear Coach,

The results of all times and distances we have are in this e-mail. Create a blank word processing document. Chose and copy these e-mail results. The paste them on the blank document.

You can then adjust as to how you might want to print them. If something is missing, please e-mail me @ RonTrk@aol.com, and I will look for whatever you don't have. All times have been rounded up to the next full .1 of a second.

(In determining 'places' everyone with the same time got a tie, unless they were in the same heat and one beat the other. Field event ties went to the next best effort.

Thanks for attending the meet and giving what ever help you did in conducting it.

Ron Campbell
